

Patient Profiles

Your name is Joseph Gallioni. You were born October 18, 1968. Your address is 1874 Golden Lane, Costa Mesa, California, 92648. Your home phone number is 1-714-555-1212. Your Social Security Number is 287-93-9931. Your closest relative is your sister, Susan Blanchard. Her phone number is 1-714-558-9845. Your insurance company is Century Insurance (group number 439jh3).

You have worked for the Wyndam Hotel for 6 years as the chief of security. You go to the doctor very seldom—only when you are sick. You have never been seriously ill and you do not smoke. You had one serious accident when you were 15 years old: a broken arm from a bicycle accident.

You are very active at home and on the job. You play tennis and ride a mountain bike, and you are on your feet all day at work. Work is stressful, but your hobbies are good at helping you relax.

You are at the doctor's office because you have hurt your back at work on February 12. You fell after another worker spilled water on a warehouse floor. Because of your injury, standing and walking are very painful. You also do not sleep well.

Your name is Maria Sanchez. You were born July 12, 1975. Your address is 2234 Honeysuckle Road, Fort Collins Colorado, 68902. Your home phone number is 1-318-782-9853. Your Social Security Number is 785-39-2378. Your closest relative is your cousin, Roberto Juarez. His phone number is 1-318-893-6782. Your insurance company is Anthem Insurance (group number 00092B).

You have worked for Lewiston Aerospace for 3 years as a computer programmer. You go to the doctor once every year for an annual checkup. You have had two operations: once for a broken nose, and once because you had pneumonia. You smoke a pack of cigarettes a day and are trying to stop. This is very stressful and you go to the gym three times a week to relax.

You are not very active at work, but you get a lot of exercise at the gym. You also like to go hiking on the weekends.

You are at the doctor's office because you are not feeling well. You are very often tired and seldom sleep well at night. Sometimes you fall asleep at work. Your co-workers say you are working too hard.

Your name is Victor Hugo. You were born February 29, 1951. Your address is 9864 Cedar Crest Drive, Tucson, Arizona, 86721. Your home phone number is 1-845-908-1243. Your Social Security Number is 549-93-8214. Your closest relative is your wife, Elise. Your insurance company is National Insurance (group number 89I96B).

You have worked for the Tucson School District for 26 years as a high school teacher. You go to the doctor once every couple of years, usually when you are sick. You had one operation 12 years ago after a heart attack. You do not smoke, but you smoked a pack a day when you were younger.

You are not very active at work, but you are on your feet most of the day. You do not like to exercise and you are putting on a lot of weight. Your job is very stressful, and you read in the evenings to relieve the stress. Your other hobby is collecting postage stamps.

You are at the doctor's office because you have chest pains. Also, you sleep too much and you do not breathe easily. Your wife is worried about you.

Your name is Elizabeth Petrovic. You were born June 23, 1939. Your address is 8932 Broad Run Avenue Manassas, Virginia, 24154. Your home phone number is 1-804-345-9876. Your Social Security Number is 540-92-2289. Your closest relative is your son, Roger Petrovic. His phone number is 1-804-675-3732. You are retired and qualify for Medicare. Your claim number is 98T43G2K.

You live alone. You are a retired secretary from Huggins Dry Cleaning, where you worked for 33 years. You go to the doctor at least twice a year, sometimes more often. You have a lot of pain from your arthritis, and often have stomach aches. You have never had an operation. You do not smoke or drink alcohol, but you eat a lot of fried foods. Your doctor says you need to change your diet.

You are not very active, but you like to work in your garden. You read and watch a lot of TV in the evenings. Your son Roger visits very seldom, but causes a lot of stress because he does not have a job and he always wants money.

You are at the doctor's office because of your arthritis. Also, your hearing is not very good.
